# Experiential and Applied Learning Record

IU-Indianapolis has a rich history in experiential and applied learning. Through numerous experiential, applied, integrative, and engaged learning experiences, IU-Indianapolis students learn how to communicate information and complex ideas, develop innovative solutions to real-world problems, and embrace civic engagement and service in partnership with their local and global community. IU-Indianapolis validates all experiences and achievements presented on the Record using a formal and rigorous assessment process. Third party recipients who wish to verify the authenticity of the Record may do so by emailing a copy to verify@indiana.edu. (Note: achievements reflected by semester may have occurred during only a portion of the semester.) More information is available at: https://getengaged.indianapolis.iu.edu/.
